## January 2012: A NEW ERA

### A Note from Nathan

When ancient Romans named the months of their calendar, they named them after gods and heroes. The month that starts the calendar year they named for Janus, the god of gates, who always looks forward and backward at the same time.

We Christians worship only one God, of course, but the image of the backward and the forward look still fits January. After all, as Christians, we look back in gratitude to God and in repentance of our sins and in memory of those we love, and we look forward in hope, setting our souls to follow where Christ will lead us.

As a congregation, this January we have good reasons to rejoice when we look backwards and when we look ahead. Our congregation is blessed with memory, people who have weathered storms before as members of Athens Christian Church and who can tell us stories of the faithfulness of the congregation in the midst of those moments. And our congregation knows the energy of youth, those whose dreams and whose energy will give shape to the Church in times to come, perhaps in ways that the rest of us cannot yet imagine.

Nobody will deny that ACC has sailed through stormy seas in the last stretch of time, but God's twin gifts of wisdom and hope, the backward look and the forward look, promise to give us the endurance and the faithfulness to continue the work of Christ, His proclamation and His mercy, here in Athens.

- **Coffee Hour** is moving to Sunday A.M.
- LOTS for Family Involvement in 2012
- Greeters are scheduled for 2012
- Communion Services is scheduled for 2012
- Wednesday Night Meals return January 25

Our church has a new mailing address. We are making use of a Post Office box and will soon be removing the mailbox at our driveway. Our P.O. box is in the downtown Athens Post Office. Frank Eberhart picks up the mail. We are still in the process of notifying people and companies.

But we want you to keep coming to 1200 Forest Heights Drive for worship.

## Schedules for 2012

As you read in the last couple of bulletins, we are trying something new, scheduling the full year's service roster for around the table and for greeters. Even though we asked members to let us know when you might not be available, of course, your plans may or will change. Substitutions will be necessary. Please try to get someone to substitute for you or switch when needed. Please let us know ahead of time so that we can get the correct name in the bulletin as your needs and your plans change.

Remember that when there is a fifth Sunday in the month we celebrate our year round coffee ministry to the Potter's House. Bring coffee of any kind to help for this ministry to the front of the sanctuary before the worship service. After the service it will be delivered to the Potters House.

### The Coffee Hour is moving from Wednesday to Sunday Mornings.

We will serve coffee until 11:55 Ms. Grace Shearer is going to be in charges of the baristas. This will give is time and opportunity to get to know our guests just before church starts. It has already been made very clear to me (Stanton) that I still need to get to into the service on time no matter how good the coffee is. We would tell you that you could have your coffee in the auditorium during the service as some churches are starting to do. But since our new blue upholstery and carpeting is not quite paid for, we'll ask you not to bring it with you to the pews. So stand around and fellowship with our guests and visitors, invite them for a cup of coffee, chat in the narthex, in the court yard, but come on in when the music starts. See you in church. *Make mine a venti!*
